

Program Concept For a Regular Show

a brief guide

In your written concept, please relate to the following questions:

- Name of the program
- Content / theme of the program
- Wish-broadcasting dates (rhythm, duration...)
- Short self-presentation of the participating radiomaker_s: who are you?
- Have you graduated the radio basic course? Yes / No
- Why do you want to make this show?
- What experience or knowledge do you have about the content / theme of the show?
- What do you want to achieve with this program?
- Whom do you want to reach with the program?
- To which extent this program gives underrepresented people, groups, opinions, artistic movements etc. voice or public?
- What distinguishes the program from other programs in other media and other broadcasts on ORANGE 94.0?
- In which topic category the show adapts the best?:
Children & Youth / Music / Politics & Society / Art & Culture / Queer-Feminism / Science & Knowledge / Migrant Communities and Diaspora
- Which elements does the show contain?:
music, documentaries, features, reports, news, interviews, studio discussions, call-ins, discussion rounds, fictional elements, parody, ...
- Is the show going to be live or are you going to pre-produce it? Or both?
- Describe a structure of an exemplary broadcast, what segments and formats would it include, how would they be composed into a show episode
- Themes & ideas for future shows
